

# Dhanasekar Boovaraghamoorthy B.E [Civil], MMUP -Grade -A, PMP ®, PMI-RMP®

## Current Address:

Abu Dhabi, QAE.

**Phone:** +971 501490569

**Email:** [ghanab76@gmail.com](mailto:ghanab76@gmail.com) [b76@yahoo.co.in](mailto:b76@yahoo.co.in)

## Project Manager

| Project Management | Engineering Design, construction and coordinator | Project Technical Manager (QA/QC) | Pre-Engineering, FEED & Detail Engineering Design | Proposal

### FUNCTIONAL EXPERTISE

- ◆ Project Management as Project Technical Manager (QA/QC) Engineering, Construction and Team leader /Team player.
- ◆ **Project Management Professional (PMP)®**,  
Reg. No: 2936768
- ◆ **Risk Management Professional (PMI-RMP)®**,  
Reg. No: 4165092
- ◆ **MMUP ENGINEER REGISTRATION (UPDA):**  
GRADE - A, CIVIL LICENSE  
Reg. No: 19820

### ACADEMIC CREDENTIALS

**Bachelor's degree in civil engineering**  
Anna University, Guindy, Chennai,  
Tamil Nādu.

### IT SKILLS & PROFICIENCY

- Auto Cad
- MS Office
- MS Project

### TRAINING CERTIFICATES:

- ◆ TBOSIET & H<sub>2</sub>S Gulf  
Technical and Safety  
Training Centre  
Doha Qatar.

### PERSONAL DOSSIER

**Father:** Boovaraghamoorthy

**Marital Status:** Married

**Language Abilities:** English, Tamil,  
Hindi & Malayalam.

**Passport No:** N8152510

**Place of Issue:** Muscat, Oman

**Validity:** 24/05/2026

**Nationality:** Indian

**Driving License:** Having valid  
Indian, Oman, Qatar & UAE  
driving licenses

### PROFESSIONAL SNAPSHOT

With over 29+ years of experience in Civil Engineering/Fit-out Interiors, PMC & Design coordinator Engineering and Construction, I have successfully led projects in High raised Building, Villas, Oil & Gas Plants, Refineries, Onshore and Offshore Industries, Power Plants, and the Qatar Aluminum plant. My expertise spans a wide variety of projects, contributing to the success and operational excellence of each endeavor.

Company Name	Position	Duration
Al Sharaa Group Company. Abu Dhabi, UAE.	Project Manager	September 2025 to till date
Consolidated Engineering & Consultancy Services (CEC) Doha, Qatar.	Project Manager	May 2019 to August 2025
New Centre Trading & Engineering Services. Doha, Qatar.	Project Manager	Dec 2017 – Mar 2019
Oman United Engineering Services L.L.C, Muscat, Oman.	Project Manager	Aug 2011 – Nov 2017
Sri City (P) Ltd., SEZ, AP, India.	Project manager	Oct 2008 - July 2011
Team 3 Pvt Ltd., Chennai, India.	Resident Engineer	Nov 2005 – Sep 2008
Taamaesek Engineering Consortium, Chennai, India.	Project Engineer	July 1997 – Oct 2005
Indian Institute of Technology (IIT), Chennai, India.	Jr.Apprentice Trainee	July 1996 – June 1997
Engineering Consultant Pvt Ltd., Malappuram, India	Laboratory Technician	April 1995 – June 1996

## PROJECTS HANDLED

---

### Project -1

---

**Project Name:** EPIC FOR TAZIZ METHANOL PROJECT, ABU DHABI, RUWAYS.  
**Client:** SAMSUNG E&A CO., LTD., / ADNOC  
**Role:** Project Manager civil/structure,  
**Project Scope:** project is to perform Engineering, Procurement, Construction includes Temporary facilities, warehouse facility for the storage of hazardous/non-hazardous materials, site office including office and mess hall etc.,

---

**Consolidated Engineering and Consultancy services (CEC)** | Project Manager | **May 2019 – August 2025**

### Project -2

---

**Project Name:** EPIC For LPG Blending Facility and Pipeline In Ras Laffan (Package 1)  
**Client:** Al-Balagh Trading & Contracting Co. W.L.L. / Qatar Energy  
**Role:** Project Manager civil/structure,  
**Project Scope:** Supply, Install and Erection of Precast and cast-in situ foundation for new LPG blending Facility & Pipelines in Ras Laffan Pacakage-1.

### Project -3

---

**Project Name:** EPIC For Diesel Engine Driven 303KV Emergency Generator sets at QE Refinery.  
**Client:** IMCO Engineering & Construction Company W.L.L. / Qatar Energy  
**Role:** Project Manager civil/structure, (CV Approved - Project manager by Qatar Energy)  
**Project Scope:** Demolition, Civil and Structural works in compliance to Qatar Energy Standard.

---

**Qatar Aluminum Limited (QATALUM)** | Sr. Project Civil Engineer | **May 2019 to Oct 2024**

### Project -4

---

**Project Name:** New Chemical Warehouse Building  
**Client:** Qatalum  
**Role:** Project Manager – Qatalum Secondment Employee Roll.  
**Project Scope:** Qatalum Warehouse Building - EPIC the main objective of this project is to perform Engineering, Procurement, Construction and Commission a state-of-the-art warehouse facility for the storage of hazardous/non-hazardous materials.  
This facility shall be constructed in accordance with the authority(MIC, QCDD, MOI, MME etc) approval/compliance requirements and meeting Qatalum standards.

### Project -5

---

**Project Name:** Qatalum Food Court and Admin Cafeteria  
**Client:** Qatalum  
**Role:** Project Manager – Qatalum Secondment Employee Roll.  
**Project Scope:** Responsible for overseeing the study and engineering assessment of the project. Coordinated closely with end users and relevant stakeholders to ensure effective integration of all service providers through comprehensive shop drawing reviews. Managed the submission process for QCD/MOI approvals, facilitating the issuance of the Final Completion Certificate required for the operational commencement of services.

### Project -6

---

<b>Project Name:</b>	<b>Engineering Support for Jetty Structure at Jetty area</b>
Client:	Qatalum
Role:	Project Manager – Qatalum Secondment Employee Roll.
Project Scope:	Study & Engineering Assessment and repair recommendation for Jetty cope beam structure concrete crack and settlement at Qatalum Jetty.

### Project -7

---

<b>Project Name:</b>	<b>JIB CRANE Installation in New Vehicle Workshop- CEP 2022-2023</b>
Client:	Qatalum
Role:	Project Manager– Qatalum Secondment Employee Roll.
Project Scope:	Engineering, procurement and installation of JIB CRANE Installation in New Vehicle Workshop.

### Project -8

---

<b>Project Name:</b>	<b>Process water supply for New Chemical and electrical Building</b>
Client:	Qatalum
Role:	Project Manager – Qatalum Secondment Employee Roll.
Project Scope:	Design, Supply, Install and Commission for new process and portable water supply to for new chemical where house, new electrical building.

### Project -9

---

<b>Project Name:</b>	<b>Full Automated SOW casting line for casthouse.</b>
Client:	Qatalum
Role:	Project Manager – Qatalum Secondment Employee Roll.
Project Scope:	Design, Supply, Erection Supervision, Commission for proposed SOW casting line. Which includes Civil/Structural roof covered building and industrial floor finishes.

#### Responsibilities in Qatalum.

- Coordinated and reviewed inputs from various engineering disciplines, functional departments, and sub-contractors, ensuring comprehensive coverage and seamless handovers
- Acted as the primary liaison between the Customer, Project Engineering Manager, Engineering Team, and third-party agencies/subcontractors, facilitating clear communication and efficient problem-solving.
- Ensured timely receipt and delivery of necessary design inputs by coordinating information across function
- Assisted the Project Engineering Manager in planning, organizing, coordinating, and controlling small projects, contributing to the establishment of policies, procedures, systems, and requirements.
- Contributed to the preparation and implementation of the Engineering Project Execution Plan (PEP) and the work-sharing Interface Plan & Scope Split Matrix.
- Prepared subcontract scope packages, ensuring clear and comprehensive documentation for outsourced work
- Reviewed and updated Engineering Scope of Work documents, and assisted in the preparation of change orders.
- Monitored work progress, compiling weekly/monthly status reports, and gathered inputs for actual, planning, and forecasting progress reports.
- Monitored KPI measurements, alerting Discipline Leads to take timely corrective actions to avoid negative project impacts.
- Coordinated with the Project Quality Manager to ensure Engineering work adhered to quality plans, securing necessary inspections and certifications for final documentation packages.
- Collaborated with the Project Procurement Manager to ensure timely delivery of Engineering specifications, TBES, vendor data expediting, and approvals.
- Participated in Weekly Progress Meetings, both internal and with Customers, and prepared comprehensive Minutes of Meetings.

## **Consolidated Engineering and Consultancy services (CEC)**

### **Project -10**

**Project Name:** EPC services for emergency diesel generators at Barzan offshore platforms.  
**Client:** Qatar Gas  
**Role:** Project Engineer civil/structure,  
**Project Scope:** Engineering Design, Supply, Install and Commissioning for new EGD at Barzan offshore platforms.

### **Project -11**

**Project Name:** Feed for STRL Open Shed for Security Guards in 7 locations in Dukhan fields  
**Client:** Qatar Energy  
**Role:** Project Engineer Civil,  
**Project Scope:** FEED

### **Project -12**

**Project Name:** FEED Study for installation of Fiscal Meters at Laffan Refinery (LR-1), Ras Laffan.-  
**Client:** Qatar Gas  
**Role:** Project Engineer Civil,  
**Project Scope:** FEED

#### **Responsibilities:**

- Coordinated and reviewed inputs from various engineering disciplines, functional departments, and sub-contractors, ensuring comprehensive coverage and seamless handovers.
- Coordinate with engineering contractor to ensure the project scope in 3D Model activity and presented to Client for Approval. Plan, control, and monitor implementation of engineering works performed by engineering contractors.
- Monitor engineering design and design review compliance to applicable codes, practices, QA/QC policies, performance standards and specifications.
- Planning and delivering engineering activities for Facilities Modification Works to support field operation to interpret their needs and requirements.
- Review of Vendor Document for package Engineering
- Resolve technical issues related to internal and external interfaces and develop responses to support engineering queries.
- Coordinate multi discipline engineering review, project technical review or project assessments, consolidate the reviews and follow up action registers and support activities to closure.
- Coordinate data collection and surveys to validate engineering designs for Brownfield engineering (topsides modification). Ensure sufficient engineering document for long lead items procurement to ensure quality and sufficiency of technical information in procurement packages, review and comment on vendor deliverables, and resolution of vendor deviation requests.
- Ensured all engineering documents, technical deliverables, correspondences, close out document have been properly uploaded to document management system.

---

**New Centre Trading & Engineering Services. Doha-Qatar. Project Manager** Dec 2017 – Mar 2019

#### **Responsibilities:**

- **Handled Fit out interior works. (Qatar National Library) Fast track project for QNL Cafeteria.**
- Subcontractor evaluation and place the order.
- Responsible for the timely submission & Verification of bills on time and arranging the fund within the time frame agreed in the contracts.
- Responsible for submission of all variations on time.
